

REBUILD AND RETURN SERVICE FORM

FOLLOW THESE STEPS BELOW:

Please fill out this form completely. One form per carburetor.

1. YOUR CONTACT INFORMATION:

Name Daytime Phone #

Address Evening Phone #

City State Zip Code Email

Country

2. YOUR CARBURETOR AND APPLICATION INFORMATION:

Year Engine Size

Make Transmission Type

3. SPECIAL INSTRUCTIONS

After Completing the above steps:

1. Please enclose this form.

Drain the carburetor of gasoline. Please ship your carburetor in a box that will protect your carburetor during shipment. We recommend using paper wrap to secure your carburetor. Do not use packing peanuts as they dissolve when they come in contact with gasoline.

We are not responsible for any damage caused during the shipment of the carburetor to us.

2. We recommend that you obtain a tracking number when you ship your carburetor to us as we are not responsible for lost packages.

3. After we receive your carburetor we will visually inspect it to determine if there are any obvious problems. Then we will contact you for payment. That is typically done 1-2 days after receiving your carburetor.

Ship The Carburetor To:
National Carburetors, Inc.
2461 Rolac Road
Jacksonville, Florida 32207
